Itinerary G Nicer Dinner, Christmas Lights and Dessert Tour

This is a customized tour that can be arranged to fit your budget. Guests will eat dinner at a very nice venue (casual to fine dining), then either view lights in the Park Cities first or have dessert and then view lights. Leave the driving to us...just enjoy great food, beverages, music of the Season and a great interactive experience led by a dedicated tour host. You can do gift exchanges, games, whatever you like because the motorcoach is all yours! We will pick up from your location, or you can meet at a venue.

Please note that many finer venues book up very quickly, especially on weekends! There is often a minimum \$ spend (for food and drinks) at higher end restaurants.

Some of the past venues we have visited for these holiday tours include:

CBD Provisions

Del Frisco's

El Fenix

Javier's

La Duni

Nick & Sam's

Smoky Rose BBQ

Please look over our preferred venue list and let us know what you're interested in, or if you have a suggestion of your own. We will then provide a custom estimate.

Team Games, Scavenger Hunt, Escape Room and other teambuilding activities.

Our experts who have facilitated teambuilding activities all over the Dallas area, and have innovative ideas that will keep your teams excited!

Team Games tours

The Escape Bus

Guests board the motorcoach and suddenly find out that they have a time limit to solve clues to escape from the bus, which is “locked” until the team gets the correct answer. There are a variety of puzzles, lockbox combinations and other activities onboard that encourage team member cooperation in order to escape. Once guests escape, they will go to a snack stop or restaurant to celebrate. Price on request.

Team Game Challenge!

Teams will go to a parking lot, park or other venue (such as Klyde Warren Park) and participate in a series of teambuilding games. These may include Spider Web, Build a Box (everyone on team has to fit into an area the size of a small box), Human Knot, puzzles and much more. There can be a winning team, or just bragging rights. Price on request.

Scavenger Hunts (food or non-food)

There is no additional charge to add this component to a tour.

1. Photo Scavenger Hunt (done on the private motorcoach and at venues):
Divide into teams and groups take photos of various items at eating venues and neighborhoods, with clues provided. Photos are sent to the tour host. Winning team has the most correct photos, in the fastest amount of time. There is no additional charge for arranging the scavenger hunt, but there may be additional expenses depending on the complexity of the hunt.
2. Action Scavenger Hunt: We can do these by private motorcoach (all over Dallas) or meet in a central walkable location such as downtown Dallas, Bishop Arts or McKinney Avenue. Teams race against time to find clues at venues (i.e. boots in a restaurant) and return to the "finish line" with objects found to receive prizes or bragging rights. Prizes are provided by the company (i.e. trophies, gift cards, etc.). We'll provide physical maps and clues, or smart phone clues. Teams can be any size, but we recommend teams of 6 people or less for maximum fun. A good deal of walking is required for the walking scavenger hunts.
3. Road Rally with your own cars. We provide the clues and teams race to find them, all over the Dallas or near-downtown area. Everyone ends up at the finish and winner gets a prize.
4. Top Golf, Speedzone (go-karts, mini golf, etc.), Bowl & Barrel/Pin Stack or an Escape Room. We would combine a food tour with one of these events.

Games for all ages...Zombies to Wild West Shootout

On-site Chocolate, Cheese and Wine Tastings

We can come to the location of your choice with a variety of chocolate (from Dallas' finest chocolatiers), cheeses and wines to sample. You'll learn exactly how to taste these foods, to pair them successfully and the histories of these foods. We can also arrange some hands on activities, such as making chocolate truffles to dipping fruit in chocolate. Price for up to your specific needs.

**** Gratuities for the tour host and driver are not included in the price listed. Gratuities are optional, but very much appreciated.**
